The Keystone of Health.

How can you expect to feel well, or even enjoy life, when you go about with a hacking cough? This fact, in his wisdom, says there is no cure for it, but the wise man has him to Stearns & Baker's Druggists, and gets a bottle of Dr. Bigelow's Positive Cure, and at once gets well. A trial bottle costs nothing.

Death of Mr. J. S. Chapin.

Mr. F. S. Eldred received to-day a letter announcing the death of Mr. J. S. Chapin, which took place at Assaria, Kansas, on the 26th instant. The remains will arrive to-morrow, and the funeral services will probably be held at the Congregational church on Sunday. But as to that, due announcement will be made when the remains arrive.

Mr. Chapin was a resident of Janesville for many years, and will be well remembered by many of our old citizens. He was engaged in the grain trade for a number of years. In 1863 he went to Memphis, Tennessee, in the interest of the Northwestern mutual life insurance company, and shortly after went to Independence, Kansas, where he was engaged in the mercantile business. He was about 62 years old. His daughter, Mrs. Joseph Chandler, his only child, will accompany the remains to this city.

Will the Money be Paid?

The special committee of the county board of supervisors, appointed to look after the delinquent license money due from the several cities and towns, according to a recent discussion of the state supreme court, met at the court house this afternoon to look up the records. The committee is composed of Messrs. Silas Ward, Jr., J. Greenman, R. J. Burdge, J. C. Brownell, J. W. Woodward, all of whom were present this afternoon except Mr. Woodward. After looking through the records in accordance with the instructions of the county board, the committee found that the cities and towns have received the following sums more than they have paid into the county treasury:

City of Beloit, \$11,719.67  
City of Janesville, \$1,123.17  
Elymouth, 150.00  
Fulton, 890.00  
Total, \$13,882.84

Card of Thanks.

To those dear friends that so kindly assisted us in our bereavement; to those who so kindly tendered the floral offerings; and to the singers who so willingly rendered their services to help lighten our hearts, we tender the greatest of thanks.

The Blues.

We get many letters from druggists stating pleasant results from customers of bilious temperaments having used Zophera.

Those subject to depression or low spirits, caused by indigestion or liver trouble, will be surprised how rapidly and pleasantly it acts. It corrects the secretions, strengthens digestion. Usually a 10-cent sample convinces one of its value. For sale by Prentice & Evenson.
